How to get here

The stylish Business Design Centre is located in Islington, one of London's most vibrant and dynamic areas in the heart of the capital. The venue is just a few minutes walk from the Angel underground station on the Northern Line, which in turn is only 5 minutes from Euston and Kings Cross main line stations. The West End is 15 minutes away, and the City 5 minutes. Although we recommend you travel to the Exclusively shows wherever possible by public transport, there are 200 spaces in the car park alongside the Business Design Centre and limited additional capacity in the area.

Where to stay

Search popular websites to find the best accommodation prices. Book early as London gets booked up and more expensive the later you leave it.
